

Heavy Duty RJ45 Field Terminating Connector

Shielded RJ45 T568A/T568B wiring

Suitable for PoE+ (IEEE 802.3at)

22 AWG to 24 AWG

Fast Field Termination

Gold Plated Contacts

T568A & T568B wiring

Part Number: **RJ45HD**
Description: Heavy Duty Field Terminating RJ45 Connector

Mechanical

Materials	Body: Zinc die-Casting with nickel plating Housing: UL 94V-2, Black Contact Material: Phosphor Bronze, nickel plated. Contact Finish: 50 Micro inch gold plated
Connector Type	Heavy Duty RJ45 Plug
Cable Compatibility	Cat5, Cat5/STP, Cat6, Cat6/STP, Cat6A, Cat6A/STP, Cat7

Physical Characteristics

Wiring Options	Wire Gauge Range	PoE	O.D. Range	Dust Cap	Grounding	Shielded
T568A & T568B	22AWG to 24AWG	PoE+ IEEE 802.3at	7.0 to 8.5mm	PE, Black	Copper Foil Tape	Fully Shielded with zinc alloy housing
